“TAKE A SHOT AT HUNGER”

Calling all paintball players! December 9th, 10th and 11th will be a weekend where your good deeds will not go unnoticed.

Luxe Studios is proud to sponsor our clients' Soldier's Of Fortune Paintball annual local food drive efforts for the Hamilton Mission Services (www.mission-services.com). Last year, they raised just over two thousand dollars in cash and several hundred cans of food. This year you can participate by giving cash donations of five dollars, or equivalent in canned goods or non-perishable food items. All of the much-needed proceeds will be donated just in time for the holiday season.

For Paintball Gun Owners, entry will consist of five dollars worth of non-perishable food items or five dollars in cash donation. This includes field entry, co² fills and all day field access. For players who want to rent equipment, entry will be five dollars of nonperishable food items and ten dollar rental fee which includes 100 paintballs, all day field access, rental equipment and co² fills for the day.

Paint prices are remarkably inexpensive, with five dollars for 100 balls, and eighty dollars for a case of paintballs that has 2000 balls.

Times for the events are:

Friday December 9th 6PM-9PM
Saturday December 10th 12PM-5PM
Sunday December 11th 12PM-5PM

Please come and give generously, we can all make a difference when we **“Take a Shot at Hunger”**
